EDUCATION

Doctor of Philosophy (PhD) | Statistics & Computer Science　　　　Sep. 2022 – *present*
Bocconi University | Department of Decision Sciences　　　　Milan, Italy

Master of Science (MSc) | Statistical Sciences (LM-82)　　　　Oct. 2020 – Sep. 2022
University of Padua | Department of Statistical Sciences　　　　Padua, Italy
Final grade: 110 cum laude
Thesis title: "Empirical Bayes inference for the Peaks Over a Threshold method"

Bachelor of Science (BSc) | Statistics for Economics & Business (L-41)　　　　Oct. 2017 – Sep. 2020
University of Padua | Department of Statistical Sciences　　　　Padua, Italy
Final grade: 110 cum laude
Thesis title: "Selection of the number of components in finite mixture models"

High School | Scientific Lyceum with dual-language option (English and French)　　　　Sep. 2012 – Jul. 2017
Liceo Scientifico Annibale Calini　　　　Brescia, Italy
Final grade: 100

WORK EXPERIENCE

Delivery guy　　　　Jul. 2019 – Sep. 2019
Foodracers　　　　Brescia, Italy

HONORS AND AWARDS

Study prize "Eccellenza" for Master of Science freshmen students　　　　Fall 2020
Merit based scholarship for 3 students enrolled at the first year of the MSc in Statistical Sciences

Scholarship "Mille e una Lode"　　　　Fall 2019
Merit based scholarship for 1000 students enrolled at the University of Padua

Scholarship "Mille e una Lode"　　　　Fall 2018
Merit based scholarship for 1000 students enrolled at the University of Padua

TEACHING EXPERIENCE

Academic Tutor　　　　Sep. 2023 – *present*
Bocconi University | Department of Decision Sciences　　　　Milan, Italy
Statistics course 30001

Academic Tutor　　　　Sep. 2019 – Jan. 2021
University of Padua | Department of Statistical Sciences　　　　Padua, Italy
Calculus course SC2094

CONFERENCES

1. "Extreme Value Analysis (EVA)", Milan, Italy, June $26 - 30$, 2023.

2. *Empirical Bayes inference for the Peaks Over a Threshold method* (poster, joint work with S. Padoan and N. Sartori). "COSMOSTATS - Bridging the Gap: Statistical Modeling of Cosmology Extremes", Asiago, Italy, September $12 - 15$, 2023.

3. "International Society for Bayesian Analysis (ISBA)", Venice, Italy, July $1 - 7$, 2024.

SKILLS

Languages: Italian (Native), English (B2), French (B1+)
Programming: R, Python, SAS, Julia, SQL, C
Document Creation: Microsoft Office Suite, LaTex, Markdown
